

Script for Calling a School Board Member

Introduction:

Hello, **(insert school board member's name)**. My name is **(insert name)** and I am the **(insert relation to student)** of **(insert name of student)** who is in **(insert grade level)** at **(insert name of school)**. I recently visited ColoradoSchoolGrades.com and learned that my child's school earned a **(insert school grade here)**. I'd like to learn more about what you are doing to ensure that schools in our district are making improvements and enabling all students to achieve.

Follow-Up Questions:

What is your plan to improve schools in our district? How are you implementing that plan? How soon will this plan be implemented and when do you anticipate seeing results?

Closing:

As a **(pick one or both: community member/parent)**, I am willing to help, so please also let me know how I can support you in your efforts to improve our schools.
Thank you.
